The Upstate Workforce Investment Board will tentatively hold its Annual Retreat on May 10, 2007 (full day) & May 11, 2007 (1/2 day).

This Request for Proposal is to solicit a trainer / facilitator for our retreat. We prefer that the individual know the Workforce Investment Act & Regulations so that guidance in planning may be offered to the board. The Upstate Workforce Investment Board has 25 board members & we

Each year, we have new board members so a short review of the WIA is also appreciated to include any current or pending changes to the WIA. We are also always looking for ideas to increase & improve our partnerships in the community. We have met or exceeded all WIA federal performance measures in the past 2 program years. Guidance on the best expenditure of our programs funds is also welcomed. We would like to hear of other best practices from around the nation. You may view our website at www.upstatewib.org for more information on us. As part of our proposal package, you will be sent the PowerPoint presentation that we use when public speaking that will lend more information on our activities. We also would gladly send any additional information that would help you in your bid preparation.

Your price should include the cost of airfare / travel, lodging, meals & any other related expenses along with your daily rate.

NEEDS ASSESSMENT OF SENIOR SERVICES FOR AREA AGENCIES ON AGING

The Area Agencies on Aging are under a mandate from the SC State Unit on Aging & the Administration on Aging to conduct long range planning based on needs assessment which identifies under-met & unmet needs of senior citizens. The agencies are engaged in a proactive planning process for the next three years which will identify the needs & gaps in the delivery system, assist in setting service & funding priorities & shape eligibility all of which are tied to the needs assessment.
