**COMMERCIAL DEVELOPMENT
ALONG LAKE HARTWELL
IN ANDERSON COUNTY**

REQUEST FOR PROPOSALS

Project: Commercial Development of Red Zone Areas on Lake Hartwell Within Anderson County, SC.

It is the desire of Anderson County, SC, to create an atmosphere suitable for superior economic development & sustainable growth, which will in turn generate substantial capital investment, quality job creation, & facilitate the use of the County's resources to their highest & best purpose. Anderson County also recognizes that Lake Hartwell is one of its greatest resources & is seek-

ing to help facilitate beneficial & environmentally sound development of Lake Hartwell shoreline properties located in Anderson County.

The United States Army Corps of Engineers (USACE), as part of its working relationship with the public & with local governments, can offer use, through lease agreements, of Lake Hartwell shoreline properties that it controls. USACE has designated certain of these shoreline properties as "Red Zone" areas.

Anderson County (the "County") is considering seeking to lease selected USACE Lake Hartwell shoreline Red Zone Areas (the "Red Zone Areas") for the purpose of assisting quality commercial development in these areas for specific projects.

For this purpose, the County is seeking proposals from developers and / or investors (collectively the "Investors") who are considering use of any of the Red Zone Areas for commercial development projects.

Based upon the quality & acceptability of the proposals, the County will seek to lease selected Red Zone Areas from USACE, &, after approval from USACE, subsequently sublease, through a sublease agreement, at a negotiated sublease fee, the selected properties to the Investor(s) selected by the County through this Request for Proposal process.

Only proposed commercial projects of the highest quality, involving substantial capital investment & creation of quality jobs, will be considered by the County. Exclusively residential development projects will not be considered by the County.

The leasehold improvements to Red Zone Areas envisioned by this RFP will incur County user fees to be established by negotiation. Any such development shall be subject to all applicable County & USACE building fees, permits, rules, regulations, ordinances & laws.

The County is, therefore, seeking proposals, through this solicitation (the "Request for Proposal" or "RFP"), from Investors or groups of Investors that are interested in subleasing Red Zone Areas for development under a sublease agreement with the County. The successful Proposal(s) will be used by the County in negotiations with USACE in hopes that the County will be able to enter into a lease agreement with USACE to facilitate development of the proposed Project(s).

All Proposers acknowledge their understanding that each Proposal must be approved by USACE & that the County cannot enter into any binding agreement for use of any Red Zone Area under any Proposal without prior USACE approval. The County in no way controls the decisions of USACE regarding approval of the proposed projects, nor does the County control the timing of USACE's review or approval of the Proposals. Any proposed agreements between the Proposers & the County are subject to revisions by USACE & must be approved in writing by USACE before execution by the County.

A detailed business plan for the use of & improvements to the selected Red Zone Areas & the operation(s) of the Project addressing the financial & functional components of the requirements contained therein must be presented as part of the Proposal.

The County reserves the right to reject any or all Proposals, or to waive any irregularities or informalities in any Proposals or in the Proposal proc-

ess. The award of the contract, if made by the County, may require action of the County Council. Anderson County will give due consideration to the proposals submitted & reserves the right to choose the proposal which, in its judgment, is best suited for the intended purposes. All persons & business organizations will receive consideration for an award of a contract without regard to age, gender, race, religion, color or national origin.

Proposals will be received until 4:00 pm on Thursday, July 27, 2006, at the Anderson County Purchasing Department, 101 South Main St., Anderson, SC 29624. Interested parties should contact the Anderson County Purchasing Department at (864) 260-4164 to obtain a proposal package.
