OF BUSINESS
ADMINISTRATION &
ECONOMICS

Project Number: H34-N011-JM

Location: Downtown Spartanburg, SC

Applicable SCBO Notes: 1, 4, & 5

Location at which Public Notice of

Meetings Will Be Posted: Carolina Pied-
mont Foundation, Inc. University
of South Carolina Upstate, Ad-
ministration Building, Room 316,
800 University Way, Spartanburg,
SC 29303

Description of Project: CPF Properties II
LLC (CPF LLC), a wholly owned
subsidiary of Carolina Piedmont
Foundation, Inc. (Foundation) in-
tends to develop an educational
project with an initial space pro-
gram of 18,300 net usable square
feet (grossed up to approximately
30,000SF). The new facility
should be 3-story & include op-
tions for unfinished shell space or
future expansion space (currently
not indicated in 30,000GSF). The
target opening date is January
2010, which requires a construc-
tion completion of December
2009. The site includes approxi-
mately 1 acre at the NW corner of
St. John Street & Liberty Street in
downtown Spartanburg, SC. The
City of Spartanburg intends to
construct an 800-car parking deck
immediately to the north of the

business school & will also be re-
sponsible for constructing the
sidewalks immediately adjacent
to the new facility. The A/E firm
should anticipate providing design
advice for the garage façade(s)
facing the Business School & the
surrounding sidewalks. The archi-
tectural design of the new facility
must complement the adjacent
Chapman Cultural Center & com-
ply with the Urban Code being
developed by the City of Spartan-
burg & The Lawrence Group. A
draft copy of the Urban Code is
available from the City of Spar-
tanburg. It should reflect a mod-
ern educational facility with cur-
rent technology & future flexibility
to serve the needs of the Univer-
sity's Business School & the
business community, all the while
maintaining the integrity of the
budget & exploring design options
that could help recruit students &
future economic development
alike.

Anticipated Construction Cost Range:

Greater than \$10 million

Description of All Professional Services

Anticipated for Project: Full architectural
& engineering design to include
stamped construction documents
for architecture, code consulting,
mechanical, electrical, plumbing,
fire protection, civil & structural.
CPF LLC intends to identify a
CM-Constructor early in the pro-
cess who will work with the se-
lected A/E firm to develop cost
scenarios for design options. We
anticipate that an early foundation
& site work package could facili-
tate an early groundbreaking to
meet the aggressive schedule.

I-26 / AVIATION AVE. / REMOUNT RD. IMPROVEMENT PROJECT

The South Carolina Department of Transportation (SCDOT) is seeking proposals from all interested CE&I firms experienced in providing required construction engineering & inspection services necessary for the I-26 / Aviation Avenue / Remount Road Improvement Project in North Charleston to include, but not be limited to, construction management, construction engineering, inspection, sampling, testing, & construction survey verifications to determine compliance with the contract requirements, plans, & specifications. Also, building code inspection services will be required as well for the addition & construction of the project traffic management center. The firm will provide services that conform to current state policy & practice of construction engineering including certification of personnel. For this project, the performance of the services will ensure: quality materials are being incorporated into the project, quality workmanship is utilized on the project, the work of the contractor is progressing in accordance with the proposed schedule, &

compliance with applicable state laws regarding environmental issues. Other tasks may be added as deemed necessary by the SCDOT.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & sub-consultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%); availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume of work with SCDOT (5%).

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All responders must visibly mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared upon request to provide justification of why such materials should not be disclosed under the SC Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT has established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with contract maximum or a lump sum basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Office of Contract Services, Room 101, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 101, Columbia, SC, 29201, no later than 2:00pm, February 28, 2008.

Requests for copies of the draft scope of services or other inquiries should be directed to Assistant Construction Engineer Leland Colvin at (803) 737-4202 or ColvinLD@scdot.org.

I-73 CORRIDOR IN SOUTH CAROLINA

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested firms experienced in providing engineering services necessary for the preparation of plans for the entire I-73 corridor in South Carolina. Initially SCDOT will contract with the selected consultant to produce preliminary & right of way road & bridge plans for the southern section of the pro-

posed Interstate 73 from Interstate 95 in Dillon County to SC Route 22 (Veterans Highway) in Horry County, SC. This portion of the project is a new location, multilane interstate facility approximately 42 miles in length. At the discretion of the SCDOT, engineering services may be expanded to include completion of construction plans for the southern segment of Interstate 73 described above as well as preliminary, right of way road & bridge plans, & construction plans for the northern section of Interstate 73 from US Route 74 near Hamlet, North Carolina to Interstate 95 in Dillon County.

Requested services include, but are not limited to, project management, traffic studies, surveys, subsurface utility engineering, preliminary plans, right-of-way plans, constructability review, public meeting/hearing displays, & other duties deemed necessary. The project as proposed must be completed on an accelerated schedule.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & sub-consultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%); availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only.
