REPLACEMENT OF FIVE BRIDGES IN HORRY COUNTY FOR S.C.D.O.T.

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

**The South Carolina Department Of
Transportation (SCDOT)** requests a letter
of interest & a current resume of qualifica-
tions from all interested consulting firms
experienced in providing engineering ser-
vices necessary for the preparation of pre-
liminary plans & studies, environmental
studies & documentation, & right of way &
construction plans for the replacement of
five bridges on S-26-31 approximately nine
& one half miles southwest of the City of
North Myrtle Beach in Horry County, South
Carolina. The proposed project consists of
removing the deficient bridges, constructing
new bridges, & tying the existing roadway to
the new bridges.

Requested Services Include, but are not
limited to, project management, traffic stud-
ies, environmental studies, documentation,
preliminary plans, public information meet-
ing, final right-of-way plans, final construc-
tion plans, construction phase services &
other duties deemed necessary.

In Consultant Selection, the SCDOT will
consider & conduct a comparative ranking
of the firms submitting based upon the fol-
lowing: experience, qualifications, & techni-
cal competence of the staff proposed for the
type of work required (25%); past perform-
ance of the proposing firm & subconsultants
proposed on similar type projects and/or
ability to perform all aspects of services
(20%); past performance in utilizing DBEs
(5%); familiarity of proposed staff with
SCDOT practices & procedures (15%);

availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting Firms Interested In Being Considered for this project should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Form SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants Shall Comply With Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT Has Established A Maximum Hourly Rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or a lump sum basis at the discretion of the SCDOT.

All Proposals Should Be Submitted to Wendy Hollingsworth, Manager of Federal Procurement, Office of Procurement, Room 101, at the SC Department of Transportation, PO Box 191, Columbia, SC 29202, or 955 Park Street, Room 101, Columbia, SC, 29201, no later than 2:00pm, October 23, 2008.

Requests For Copies Of The Anticipated Scope Of Improvements should be directed to SCDOT Program Manager Bener Amado, P.E. at (803) 737-0181 or via email to amadob@scdot.org.

NOTICE TO ALL HAZARDOUS ENVIRONMENTAL CONSULTING FIRMS

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest & a resume of qualifications from all interested hazardous environmental consulting firms experienced in performing required professional hazardous environmental consulting services. This work will be performed under a three-year on-call contract. This work will be statewide & performed on an as-needed basis. SCDOT, at its discretion, may select more than one firm to perform this work.

These services may include, but are not limited to:

- Subsurface investigations;
- Analytical testing;
- Data analysis;
- Reports;
- Other services related to assessment & remediation of sites with potential contamination from petroleum underground storage tanks (USTs) or any other sources as well as performing UST closure assessments;
- Inspection & remediation of bridges & structures for asbestos containing building materials (ACBMs);
- Monitoring of lead paint removal contractors, including inspection of surface preparation & paint coat according to Steel Structures Painting Council (SSPC) standards.

Requested Services Include, but are not limited to, project management, traffic studies, environmental studies, documentation, preliminary plans, public information meeting, final right-of-way plans, final construction plans, construction phase services & other duties deemed necessary. The project as proposed must be completed on an accelerated schedule.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%); availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

ENVIRONMENTAL SERVICES FOR TOWN OF HILTON HEAD ISLAND

RFQ 2008-22

The Town Of Hilton Head Island Is Soliciting Responses from qualified firms to provide environmental science & environmental engineering services. The Town will award a contract to the most qualified respondent to perform these services on an as required basis for a period of three years with the option to extend the contract for two additional years.

The Initial Project Under This Contract will consist of environmental services associated with the design & construction of proposed improvements to three existing culverts, their respective upstream & downstream channels, & the remediation of a tidally-influenced pond, known as Miller's Pond. It is proposed that additional culvert barrels will be added at each existing culvert location to improve drainage in the watershed. The culverts are located at Union Cemetery Road & Market Place Drive & Oak Creek Drive. The latter two are located within the gated community of Port Royal Plantation. Miller's Pond is also located in Port Royal Plantation.

The Town Seeks To Restore Miller's Pond to a more natural condition with minimal environmental impacts. Miller's Pond is situated directly upstream of, & is interconnected with, Fish Haul Creek, a tidal saltwater creek & marsh. Due to upstream inflows & downstream tidal inflows, sediment deposition has occurred at the upstream & downstream ends of Miller's Pond. It is proposed that dredging will be needed to return the pond to a more natural condition. The consultant will be asked to provide

engineering & permitting services as necessary to construct these projects.

Location Maps Detailing The Project Limits Are Available upon request or may be found on the Town's website.

Sealed Responses Are Due no later than 1:30pm, on October 9, 2008. Five copies of your response should be hand carried or delivered by traceable means to the following address:

Town of Hilton Head Island
Attn: Bryan McIlwee, Assistant Town Engineer
Environmental Services RFQ 2008-22
1 Town Center Court
Hilton Head Island, SC 29928

For more information: Contact Bryan McIlwee at bryanm@hiltonheadislandsc.gov or (843)341-4775, or visit the Town's web site at www.hiltonheadislandsc.gov

CONSTRUCTION

Project Name: PROPOSAL FOR LIGHTS & POLES FOR JAMES ISLAND CHARTER HIGH SCHOOL'S BASEBALL & SOFTBALL FIELDS

Project Number: ATH-1

Location: James Island Charter High School, 1000 Fort Johnson Rd., Charleston, SC 29412

Description of Project: JICHHS is interested in proposals for the replacement of lights & poles for both the softball & baseball fields. This includes removal of existing lights & poles & upgrading with energy efficient lights & poles that meet or exceed light level standards for the fields. This will preferably be a turn-key operation.

The successful bidder will preferably include all components of the project in the bid package; however, should it be in JICHHS's best interest there is an option to bid as equipment or general contracting only. The bid package is expected to include all access modifications to get to proposed location; locating services for underground utilities as necessary; foundation excavation & new foundations; ensure that adequate electrical service is available & hook up completed; provide all poles, fixtures, foundations & layout; provide project management as necessary; design approved by an electrical contractor; all necessary permits; disposition of current light poles, fixtures & foundation; provide all new electronic equipment for project; provide for lightning protection; adhere to all local & other applicable building / fire codes.

Keep all heavy equipment off playing fields when possible. A geotechnical / soil clause is allowable due to a soil boring not being completed on the proposed area. Lighting & poles must be able to be relocated in the future if that becomes necessary.

The proposals must include at least five references with contact information, & all warranty information & terms. Successful bidder must supply a completed W9, certificate of liability insurance, & a copy of a City of Charleston business license prior to the start of work

Deliverables: Fully functional lighting system for the softball & baseball

SOUTH CAROLINA CONSOLIDATED PROCUREMENT CODE & REGULATIONS

Earlier this year, MMO asked Thompson Publishing for a reprint of the SC Consolidated Procurement Code & regulations. These reprints have been received & are available for ordering. We have only 750.

The new booklet is up-to-date as of this past legislative session. It includes all amendments to the procurement code & regulations, including the construction related changes based on the ABA's 2000 Model Procurement Code & 2002 Model Regulations.

The new booklet also includes FOIA, relevant portions of the new immigration statute, relevant excerpts from the ethics laws, an updated code index, a list of "you should read these" Panel decisions, a list of current exemptions from the procurement code, the Drug Free Workplace Act, & a few other items of interest.

Contact for ordering / shipping the books: Toyette Hazard, thazard@mmo.sc.gov.

Pricing:

- \$15.00 for books picked up at the MMO office, delivered through IMS, or purchased at Procurement Training. We anticipate making these books available at all MMO training classes, while supplies last.
- \$20.00 for books delivered through the US Postal Service.
