The attainment of goals established for this solicitation is to be measured as a percentage of the total dollar value of the contract. The goal the Owner has established for this contract is as follows:

- 15% for the base offer of the solicitation to be performed by DBE firms
- 20% for the base offer of the solicitation to be performed by local business

The project requirement will be based on historical availability of references & the contracting officer's determination that the above prescribed percentages of the total project work is available to be performed by DBE'S & local business within the project area.

The County reserves the right to accept or reject any & all responses, to waive technicalities & informalities, to negotiate further with the vendor of its choice, to request additional information, to interview & to make an award deemed to be most advantageous to the County & in its own best interest. All submittals shall become property of the County & are subject to the Freedom of Information Act (FOIA) regulations
