system / devices to current
codes. The first construction
phase will consist of approxi-
mately 45,000 – 50,000 sq. ft.
The facility functioned as a typical
Wal-Mart Center. At the present
time, the space is in a vacant
stage ready for renovation. The
building will need to be brought
up to current code. HVAC, elec-
trical, building sprinkler system &
roof need upgrading. Parking is
already in place & appears to be
in good condition. Evaluation, de-
sign & proposed renderings for in-
ternal & external renovations will
be part of the service request.

The professional may be subject
to a performance appraisal at the
close of the project. Any ques-
tions concerning the terms &
conditions of the proposed con-
tract must be addressed to the
