NOTICES

NOTICE OF INTENT TO JOIN COOPERATIVE PROCUREMENT FOR LODGING SERVICES – NATIONWIDE & REGIONAL

This is public notice that the State of South Carolina, Materials Management Office, proposes joining with State of Oregon Procurement System (ORPIN), to establish comprehensive, nationwide & regional, multiple award contracts with qualified vendors for the purchase of Nationwide & Regional Lodging Services.

The purpose of the RFP is to establish a price agreement for nationwide & regional lodging services by room for transient & extended stay at or below the domestic GSA per diem rates for participant travelers traveling on official government business within the United States. The State of Oregon Department of Administrative Services State Procurement Office (DAS SPO) conducts this solicitation for these services for the State of Oregon, its participating Oregon Cooperative Purchasing Program members (ORCPP), the Western States Contracting Alliance (WSCA), & other participants. Oregon is the Lead State for this RFP.

The initial term of price agreement awarded will be for 3 years, with an option to extend for additional terms. Multiple awards will result from this RFP. Proposers are to submit a proposal for each brand name of properties offered. Only proposers who represent brands or chains at the national level & can authorize the entire brand or chain to participate under the resulting price agreements under the brand umbrella are to submit a proposal. Individual property own-

ers or franchisees should not submit a proposal. Individual property owners & franchisees should direct this RFP to the national or regional sales manager of the brand to respond to this RFP.

In conjunction with a WSCA multi-state sourcing team, Oregon's DAS SPO will assign points for desirable features & points for pricing. The two subtotals will be added for a final total. This is a multiple-award opportunity. The WSCA Sourcing Team & Oregon's DAS SPO will choose the top 5 responsive & responsible proposers for national brands & the top 2 responsive & responsible proposers per region for regional brands who meet the qualifications outlined in this RFP. The resulting price agreements will be permissive agreements & will supplement any existing in-state or national lodging agreements or qualifications that other States may already have in effect.

The solicitation may be viewed at <http://orpin.oregon.gov/open.dll/welcome>. Viewing the entire solicitation may require an online registration on the State of Oregon website referenced above. You may "browse" to view a summary of the solicitation without registering, however.

Contracts will be established with authorized vendors only.

The contact for this Request for Proposals is Tim Hay, tim.hay@state.or.us, State Procurement Office, 1225 Ferry Street SE, U140, Salem, Oregon 97301-4285, (503) 378-4650, Fax (503) 373-1626.

If you would like to discuss South Carolina's participation in this cooperative procurement, please contact Voight Shealy at (803) 737-0635 or vshealy@mmo.sc.gov.
