SUBSURFACE UTILITY ENGINEERING SERVICES FOR S.C.D.O.T.

Solicitation Number S-94-11

**The South Carolina Department Of
Transportation (SCDOT)** requests a letter
of interest & current resume of qualifications
from all interested consulting firms experi-
enced in Subsurface Utility Engineering
(SUE) services to provide "On Call" subsur-

face utility engineering services for various projects in South Carolina.

The Selected Firms May Be Required to provide professional engineering services including utility delineation (Quality Levels A, B, C, & D), back ground research, designing & relocating utilities, data management & delivery, design analysis & recommendation, & utility relocation design services for projects to be identified on an as-needed basis. The selected firms may also provide general utility coordination & railroad coordination services as well as training. All work performed, for this service, shall be performed under the direct supervision of a South Carolina licensed professional engineer (PE) or professional land surveyor.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (25%), familiarity of proposed staff with SCDOT practices & procedures (15%), past performance in utilizing DBEs (5%), DBE utilization plan (5%), responsiveness to the Department, including the availability of key staff, & the ability to mobilize quickly & meet project schedules & current workloads (25%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal. Failure to include this information in the proposal will result in the proposal being considered nonresponsive & the proposal will be rejected.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Form SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the state of certification, discipline & percentage of usage / obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark As "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to

release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants shall comply with FAR 36.209 & if the submitting CEI firm, its subsidiary and/or affiliate, was a member of the design team and/or is a member of the winning construction team, then that firm will not be selected for affected CEI project. In addition, if a submitting firm's subconsultant was a member of the design team and/or is a member of the winning construction team, then the submitting firm shall submit to the SCDOT for approval a replacement subconsultant.

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly discourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project. The contract will be on an "on call" basis with costs based on approved units.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Room 327, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202 or 955 Park Street, Room 327, Columbia, SC, 29201, no later than 2:00pm, January 11, 2011.

Requests For Copies Of The Draft Scope Of Services or other inquiries should be directed to Surveys Manager Brian Ison at (803) 737-1361 or IsonBD@SCDOT.org.

**PROFESSIONAL
PHOTOGRAMMETRIC SERVICES
FOR S.C.D.O.T.**

Solicitation Number S-95-11

The South Carolina Department Of Transportation (SCDOT) requests a letter of interest & current resume of qualifications from all interested firms experienced in performing professional photogrammetric services. The SCDOT, at its discretion, may select more than one firm to perform these services on various projects statewide.

The Selected Firms May Be Required to provide the following professional services, including consultation & planning, aerial photography, photo reproduction, photo mosaics, digital planimetric mapping, digital ground line cross sections, low altitude mapping, ground surveys for mapping control, & other related services. All deliverables will be provided in a format compatible & acceptable to the SCDOT project development process.

In Consultant Selection, the SCDOT will consider & conduct a comparative ranking

of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%), past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (25%), familiarity of proposed staff with SCDOT practices & procedures (15%), past performance in utilizing DBEs (5%), DBE utilization plan (5%), responsiveness to the Department, including the availability of key staff, & the ability to mobilize quickly & meet project schedules & current workloads (25%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal. Failure to include this information in the proposal will result in the proposal being considered nonresponsive & the proposal will be rejected.

Consulting Firms Interested In Being Considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, FORM SF 330 which is to be provided for the primary firm & any sub-consultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of FORM SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required. All responders must visibly mark as "CONFIDENTIAL" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq. Consultants shall comply with FAR 36.209 & if the submitting CEI firm, its subsidiary and/or affiliate, was a member of the design team and/or is a member of the winning construction team, then that firm will not be selected for affected CEI project. In addition, if a submitting firm's subconsultant was a member of the design team and/or is a member of the winning construction team, then the submitting firm shall submit to the SCDOT for approval a replacement subconsultant. Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project. The contract

will be on an "on call" basis with costs based on approved units.

All proposals should be submitted to Wendy Hollingsworth, Professional Services Manager, Room 327, at the South Carolina Department of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 327, Columbia, SC, 29201, no later than 2:00pm, January 12, 2011.
