MATERIALS INSPECTION & TESTING SERVICES FOR VARIOUS S.C.D.O.T. PROJECTS

Solicitation Number S-98-11

**The South Carolina Department Of
Transportation (SCDOT)** requests a letter
of interest & a current resume of qualifica-
tions from all interested consulting firms
experienced in geotechnical engineering &
testing & other related materials testing to
provide "on call" materials inspection &
testing services for various projects. This
work will be conducted at locations
throughout South Carolina & may include,
but is not limited to, the following:

- Subsurface investigation for
bridge, highway, & other con-
struction
- Laboratory testing of soil, rock, &
geosynthetic materials
- Analysis of geotechnical data for
structure foundation design,
pavement design, slope stability,
settlement, & other typical geo-
technical engineering problems,
including seismic analysis
- Sampling & testing of various
other materials associated with
highway & bridge construction

**All Laboratory Testing Must Be Con-
ducted** by laboratories & personnel accred-
ited by the AASHTO Accreditation Program.

**In Consultant Selection, The SCDOT Will
Consider** & conduct a comparative ranking
of the firms submitting based upon the fol-
lowing: experience, qualifications, & techni-
cal competence of the staff proposed for the
type of work required (25%), past perform-
ance of the proposing firm & subconsultants
proposed on similar type projects and/or
ability to perform all aspects of services
(25%), familiarity of proposed staff with
SCDOT practices & procedures (15%), past
performance in utilizing DBEs (5%), DBE
utilization plan (5%), responsiveness to the
Department, including the availability of key
staff, & the ability to mobilize quickly & meet
project schedules & current workloads
(25%). Each proposal is required to indicate
the amount of work expected to be paid, on
a percentage basis, to each firm identified
as providing a service in the proposal. Fail-
ure to include this information in the pro-
posal will result in the proposal being con-
sidered nonresponsive & the proposal will
be rejected.

**Consulting Firms Interested In Being
Considered** for these projects shall re-
spond with ten (10) hard copies & one (1)
copy on CD of the following: letter of inter-
est, current resume of qualifications, a di-
rect response to each of the selection crite-
ria identified above, Form SF 330 this form
is to be provided for the primary firm & any
sub-consultants, a listing of all Disadvan-
taged Business Enterprises (DBE) including
the State of Certification, Discipline & Per-

centage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of FORM SF 330, shall be limited to 20 double-spaced pages printed on one side only. Failure to include this information in the proposal will result in the proposal being considered nonresponsive & the proposal will be rejected. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All Responders Must Visibly Mark As "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants & Subconsultants Shall Comply with FHWA Order 4470.1A "Certification of Indirect Costs" in Accordance with FAR.

Consultants Shall Comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project. Consultants shall comply with FAR 36.209 & if the submitting CEI firm, its subsidiary and/or affiliate, was a member of the design team and/or is a member of the winning construction team, then that firm will not be selected for affected CEI project. In addition, if a submitting firm's subconsultant was a member of the design team and/or is a member of the winning construction team, then the submitting firm shall submit to the SCDOT for approval a replacement subconsultant. The contract will be on an "on call" basis with costs based on approved units.

All Proposals Should Be Submitted to Wendy Hollingsworth, Professional Services Manager, Room 318, at the SC Dept. of Transportation, P.O. Box 191, Columbia, SC 29202 or 955 Park Street, Room 318, Columbia, SC 29201, no later than 2:00pm, February 23, 2011.

Requests For Draft Scope Of Services & all inquiries should be directed to G. Michael Lockman, P.E., SCDOT Geotechnical Materials Engineer, at (803) 737-6692, Fax (803) 737-6649, or via e-mail to LockmanGM@scdot.org.

Project Description DPR Construction &

Clemson University desire to obtain subcontractor services for the above referenced project. The Life Science Building project at Clemson University is a new laboratory facility designed for the purpose of developing new scientific research. "Clemson's vision for the building is to develop nationally recognized programs of distinction in life science biology focused on animal systems." The primary functional goals for the facility are to have a building that supports scientific research activities & engages students via training & education. The building is a flexible laboratory, teaching & faculty office environment. The teaching space includes up to four teaching laboratories, including lab support for upper level undergraduate & graduate level classes. Additional areas also include space for IT support, research activity reception & display area(s). The building accommodates approximately 25 principal investigators & their students, along with technical & service support staff. The common thread of research emphasis will be the fundamental study of animal systems within such fields as, but not limited to, biochemistry, microbiology, immunology, endocrinology & proteomics.

The building will be located close to the recently completed & occupied Biosystems Research Complex (BRC) laboratory building & greenhouse facility, not far from the Godley-Snell Research Facility (animal vivarium) & attached to the Robert Poole Agricultural Center building (Plants & Animals). Integral with the building design & many site improvements, the Life Science Building will be a sustainable building designed to be LEED certified at a minimum Silver level. The building is approximately 90,000-100,000 GSF (including Penthouse, MEP space & site improvements).

BANKING SERVICES FOR YORK COUNTY

RFP #2001

York County is seeking sealed proposals from qualified banking institutions to provide banking services to York County.

Questions concerning this proposal should be sent to Beth Latham, Treasurer, via email: beth.latham@yorkcountygov.com. This RFP can be viewed on the York County Purchasing homepage www.yorkcountygov.com/purchasing.

Proposals will be received in the Purchasing Department, Agricultural Building, Rm. 114, 6 S Congress St, York, SC 29745, until 11:00am, on Monday, February 28, 2011, at which time said proposals will be publicly opened.

LEASED SPACE FOR WORKLINK W.I.B.

The WorkLink Workforce Development Board ("The Board") is in need of (3) office spaces, (1) in or near the City of Anderson for approximately 10,000-13,000 square feet, (2) in or near the Town of Seneca for approximately 4,600-5,000 square feet, & (3) in or near the Town of Liberty or City of Easley for approximately 4,600-5,000 square feet. The Board requires a lease

with a 60-day escape clause or a month-to-month lease. It is preferred that the lease price per square foot include utilities, insurance, & taxes (internet & telephone services provided as part of the lease will be given extra weight in the cost category). If all of these costs are not included in the cost per square foot, an estimate of the monthly cost must be provided in addition to the monthly electric utility cost. These or any additional expenses will be considered in the cost category of the overall evaluation. Interested contractors should provide space information & lease cost per square foot to Nita Colman at (864) 646-1458, or email to ncolman@worklinkweb.com.

All interested contractors must respond by 3:00pm, on February 11, 2011. A public bid opening will be held at the WorkLink office, 511 Westinghouse Rd, Pendleton, SC, at 4:00pm, on February 11, 2011. The responses to this request will be evaluated based on the following criteria: Location (40 points); Cost (20 points); Usability (20 points); Space Layout (20 points). Extra weight will be given in the location category if the space is readily accessible to public transportation.

NOTICES

**S.C. DEPARTMENT OF EDUCATION
SEEKS SUPPLEMENTAL
EDUCATIONAL SERVICES PROVIDERS**

The South Carolina Department of Education (SCDE) is seeking applicants to become providers of Supplemental Educational Services (SES) for the 2011–12 school year. As a state agency, the SCDE is not procuring services, but will be approving the applications. Applicants whose application meets the required composite score will be included on the list of state-approved SES providers that will be forwarded to districts & schools that are required to offer SES.

Supplemental Educational Services are defined as additional academic instruction designed to increase the academic achievement of students in low-performing schools. The services may include academic assistance such as tutoring, remediation, & other educational interventions, provided that such approaches are consistent with the content & instruction used by the local educational agency (school district), & are aligned with the State's academic content standards. The supplemental educational services must be provided outside of the regular school day. The services must also be high quality, research-based, & specifically designed to increase student achievement.

Non-profit & for-profit agencies, public or private institutions of higher education, faith-based organizations, & local educational agencies interested in becoming a provider of supplemental educational services are encouraged to apply. Applications are due by 4:00pm, EST, April 1, 2011. The on-line application can be accessed by logging onto the SCDE's Web site at www.ed.sc.gov & then linking to the Federal & State Accountability page.

A training session regarding the application process will be held on Thursday, February 17, 2011, 9:30am, until 12:30pm, (registration begins at 9:00am) at the South Carolina State Museum Auditorium, 301 Gervais Street, Columbia, SC 29202. The training is not mandatory; however, all interested applicants are encouraged to attend. Due to limited space, interested applicants must register in advance.

For information about the application training session or the on-line application, please contact Basil Harris, SES Coordinator, by e-mail at bharris@ed.sc.gov or by telephone at (803) 734-8373.
