Project Name: DOUTHIT HILLS
DEVELOPMENT

Project Number: H12-9899-SG

Location: Clemson Univ., Main Campus

Applicable SCBO Notes: 1, 4, & 5

Location at which Public Notice of

Meetings Will Be Posted: 191 Old Greenville Hwy, Gentry Hall, Clemson, SC 29634-5952

Description of Project:

Clemson University desires to obtain the services of a Construction Manager at Risk (CM@R) to provide pre-construction services & construction management & services for the above referenced project. The technical difficulty & complexity of this project creates a situation that requires extraordinary coordination, expertise & collaboration of the owner, design team & the construction team.

The Douthit Hills Development will impact approximately 33 acres of the site development & a

total square footage of space to be completed is anticipated to be between 531,000 & 551,000 square feet. The project will occupy a highly visible location at the main entrance to campus. Initial designs propose the construction of 15 separate buildings to house the proposed program elements including: student housing for Clemson University Students, student housing for Bridge-to-Clemson students, retail dining, a residential dining hall, & a new campus bookstore. The development will be supported by ample surface parking, landscaped plazas, site infrastructure, & amenities to support pedestrians & cyclists

The University has contracted with the Boudreaux Group to provide design services for this project.

The University intends to engage the successful construction management firm for both pre-construction services & construction services to insure compliance of the schedule & budget. Pre-construction services are expected to begin in December 2012 with construction expected to begin in April 2013. All construction is expected to be complete in July 2015.

Clemson University embraces diversity in all aspects of its function including use of minority businesses, vendors, or contractors associated with construction projects. Candidates will be required to submit a detailed plan in their proposal as to how they intend to seek minority participation & implement that plan in to their CM services.

The University intends to award the contract using a competitive sealed proposal process as authorized by Section 11-35-1530 of the South Carolina Code of Laws, as amended. The Request for Qualifications (RFQ) is the first step in the competitive selection process. The second step includes a Request for Proposal (RFP) & an interview. A detailed description of the process is included in the RFQ/RFP.

Interested parties may obtain a copy of the RFQ/RFP at the following website to review specific submittal requirements & submittal format:
