SIX INTERSECTION IMPROVEMENTS IN RICHLAND COUNTY

PDT-1001-RQ-2014

Richland County Government Requests Letters Of Interest & current resume of qualifications from all interested parties experienced in all phases of roadway design & construction to provide design & construction services for the improvements to six intersections in Richland County, SC. Richland County Government will be using the design-build method of contracting for these improvements.

The Scope Of Work For The Improvements Will Include design, permitting, right-of-way acquisition & services, construction, & construction engineering & management. The design work will include, but not be limited to, surveys, preliminary design, hydrologic & hydraulic analysis & design; geotechnical investigation, analysis, & design; roadway design, roadway structure design, construction staging, signing & pavement markings & any other design work necessary to complete the roadway plans & specifications to federal & SCDOT standards. Right-of-way services will include right-of-way acquisition & the services necessary to facilitate that acquisition. Construction will include, but not be limited to, all necessary roadway & roadway structure construction, utility coordination, erosion & sediment control, traffic control, & any other tasks necessary to complete construction. Construction engineering & management, including quality control, will be the responsibility of the design-build team. Quality assurance testing for acceptance & inde-

pendent assurance testing will be the responsibility of the Richland Penny Program.

In Evaluating Qualifications, Richland County Government Will Use a two-step process to select a proposer with which to execute a contract for these improvements. The Request for Qualifications (RFQ) represents the first step in the process. After evaluating the submitted qualifications, a maximum of five (5) proposers will be invited to respond to the Request for Proposals (RFP). In evaluating qualifications, Richland County Government will consider team structure & approach, experience of key individuals, past performance of team, & quality control plan approach.

Interested Parties May Obtain A Copy of the Request for Qualifications & an RFQ information package online at www.richlandpenny.com

Qualifications Must Be Submitted in accordance with the Request for Qualifications. Responsive parties shall submit two (2) printed & bound copies of the qualifications & one electronic copy of the qualifications in PDF format to Christy Swofford, Assistant Procurement Director, Richland County, 2020 Hampton Street, Columbia, SC 29204, not later than 2:00 pm, January 22, 2015.
