Telephone: 803-896-1707, Fax: 803-896-1700

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

SOLICITATION NO. S-174-16 -- WOODRUFF ROAD PARALLEL PROJECT IN GREENVILLE CO.

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing complete engineering services necessary for the preparation of preliminary road and bridge plans, environmental studies and documentation, right of way plans, and final construction plans for roadways and bridges in South Carolina. The Woodruff Road Parallel is a proposed multilane, new location project with multi-use path between approximately Miller Road and Verdae Boulevard; NEPA studies including traffic analyses will determine the logical termini and preferred alternative, and may result in new location construction or improvements to existing facilities or some combination of both.

Requested services include but are not limited to: project management, surveys and mapping, traffic analyses, alternatives analyses and cost estimating, environmental studies/documentation/permitting, subsurface utilities engineering, utility coordination/plans, geotechnical services, pipe inspections, drainage design, roadway design/plans, bridge design/plans, and construction phase support services. The project team should be capable of providing all services outlined above.

RFP information associated with this solicitation is located at the following link:

http://info.scdot.org/SCDOTProfessionalServ/SitePages/constructionLetting_Services.aspx#tabs-5.

For questions, please contact the SCDOT Contracting Officers (CO), Wendy Hollingsworth, at 803-737-0746 or via email at Hollingswg@scdot.org and Roberta Mack at 803-737-1256 or via email at MackRB@scdot.org. Electronic submissions are due no later than 2:00pm, June 6, 2016.

NOTICE TO ALL CONSULTING ENGINEERING FIRMS**SOLICITATION NO. S-180-16 -- US 21 BRIDGE REPLACEMENT -- CONGAREE CREEK IN LEXINGTON CO.**

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the development and delivery of preliminary roadway and bridge plans, environmental studies and documentation, environmental permitting, right of way plans and final construction plans for roadways and bridges, and associated design/coordination services, for the replacement of the US 21 Bridge over Congaree Creek in Lexington County.

Requested services include but are not limited to: project management, field surveys, traffic studies, environmental studies and documentation including public involvement, environmental permitting, bridge design, structural design, roadway design, hydrology/hydraulic design, geotechnical services, hazardous materials survey, subsurface utility engineering, utility coordination, right of way phase support, right of way coordination, development of preliminary/final right of way plans, value engineering, development of preliminary/final construction plans, pavement marking and signing plan, constructability review, construction phase services, engineer's estimate/project specific special provisions and other related duties deemed necessary. The project team should be capable of providing all services outlined above.

The project team should be capable of providing all services outlined above.

CITY OF COLUMBIA – PROJECT NO.: SS737802 – CAUGHMAN ROAD FLOOD REPAIR PROJECT

You are invited to submit a bid for the above referenced project in accordance with the enclosed Bid Documents. A non-mandatory pre-bid meeting will be held on May 26, 2016 at 10:00am. The meeting will be held on the seventh floor of the Washington Square Building located at 1136 Washington Street Columbia, South Carolina. Please complete the Bid Proposal no later than 2:30pm, June 2, 2016. A construction time of 30 days from Notice to Proceed shall be included in the proposal.

This project is being bid under “Traditional Method” and “Electronic Method” (Bid Online).

Failure to submit via BOTH methods will result in rejection of bids.

For current updates to the bidding of this project visit: www.columbiasc.net/Online svc tab/Bid Online tab

The project shall include mobilization, clearing and grubbing, SCDOT approved traffic control plan, sediment and erosion control, dewatering site, bypass pumping, installation of new aerial crossing to include 60 LF of steel casing pipe and 8” DIP carrier pipe on grade, 20 LF of 8” DIP (Pressure class 350) gravity sewer, structural supports, bank stabilization, site restoration, and all other appurtenances needed to complete the gravity sewer replacement.

All City of Columbia specifications, procurement regulations, and insurance requirements shall apply for this contract. The City’s local business enterprise program will not apply. The City’s Mentor Protégé Program or the City’s Subcontracting Outreach Program is not required for this project.

Liquidated damages in the amount of \$500.00 per calendar day will be assessed to this project for failure to meet the construction time stated above.

Complete Bid Package is available for pick up at seventh floor of 1136 Washington Street.

The Davis-Bacon and Related Acts, apply to contractors and subcontractors performing on federally funded or assisted contracts in excess of \$2,000 for the construction, alteration, or repair (including painting and decorating) of public buildings or public works. Davis-Bacon Act and Related Act contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area. The Davis-Bacon Act directs the Department of Labor to determine such locally prevailing wage rates. The Davis-Bacon Act applies to contractors and subcontractors performing work on federal or District of Columbia contracts. The Davis-Bacon Act prevailing wage provisions apply to the “Related Acts,” under which federal agencies assist construction projects through grants, loans, loan guarantees, and insurance.

A Compliance Statement is required for this project.

All FEMA required federal documentation, regulations and requirements shall apply to this project. All perspective

bidders shall be registered at www.SAM.gov.

The Contractor must be knowledgeable about and abide by all of the City of Columbia General Specifications and Standard Construction Specifications.

Please submit your bid by completing the attached Bid Proposal and submit it in a sealed envelope along with a copy of your South Carolina Contractor's License to Ms. Debbie Scott at the Conference Room on seventh floor of 1136 Washington Street, Columbia, South Carolina by the date and time stated above.

Description of the project:

THIS IS NOT A STATE PROJECT

This project consists of the construction of an addition to and renovations to a portion of The Cooper Center, Georgetown County Board of Disabilities and Special Needs of Georgetown, South Carolina.

The project consists of construction of a 2,904 sq.ft. addition to an existing pre-engineered building, to be constructed on a slab on grade, and alterations in the existing building to provide two new single toilet rooms. The project includes pre-engineered framing, roofing, walls, etc. as part of this contract. Interior finishes include sheet-rock on wood stud construction; acoustical ceilings, ceramic tile, vinyl tile and carpet floor finishes. The HVAC system consists of split system heat pumps.

Sitework includes grading, extension of site utilities, stormwater management, addition of 5 asphalt parking spaces with curb and gutter and erosion control.

BID NO. 15-1687 -- ROCK HILL SCHOOL DISTRICT 3

Sealed bids for Saluda Trail Middle School Renovations and South Pointe High School – Package A Renovations for Rock Hill School District 3 will be received by the Purchasing Director at Rock Hill Schools Facilities Services, 2171 West Main Street, Rock Hill, SC 29732 on 5/31/2016. The General scope of work is as follows:

Saluda Trail Middle School Renovations

The work consist of repairing existing interior masonry wall crack, repair/replace existing concrete entry walks/patios at student drop off, bus drop off and cafeteria patio areas, replace existing damaged roof leaders at patio areas and patch various grounds areas that need ground cover as indicated on the Drawings and as specified in the Project Manual.

South Pointe High School – Package A Renovations

The work consist of creating a new wrestling room out of two existing rooms by removing existing non- load bearing walls and providing a new mat lift and finishes. Adding a new washer and dryer to their existing laundry room and relocating existing access door to adjacent corridor wall. Adding a new door and frame to the concessions room to connect gym. Adding a new view window to the existing baseball/softball field house for viewing the girls' softball field. Creating a Maker space at the 9th grade wing out of the existing core computer spaces and offices by removing existing bearing walls and providing new steel supports and columns and infilling new openings with operable glass partitions. These rooms will have new floors, ceilings, cabinetry with sinks and skylights for natural lighting as indicated on the Drawings and as specified in the Project Manual.

Bids are due at 2:00pm . Bids will be publicly opened and read aloud.

The Owner is: Rock Hill School District Three Facilities Services, 2171 West Main Street, Rock Hill, SC 29732

Purchasing Director: Nicole Hatch Phone: 803-981-1154

The Architect is: KSQ Design
2115 Rexford Road, Suite 500
Charlotte, NC 28211
Phone: 704-319-5367.

An open pre-bid conference is scheduled for 10:00am on 5/19/2016 at Rock Hill Schools Facilities Services 2171 West Main Street, Rock Hill, SC 29732. At that time, a site visit will be conducted.

Plans and specifications will be available May 10, 2016. Bidders may obtain electronic sets of plans and specifications by emailing Pam MacMillan at pmacmillan@ksq.design. Bidding documents may also be inspected at the Rock Hill Schools Facility Services Department at 2171 West Main Street Rock Hill SC 29732; the office of the Architect and from iSqFt (formerly AGC and also representative for the Hispanic Contractors Association of the Carolinas), jneal@isqft.com; Dodge (formerly McGraw Hill Construction), lex.ann.thomas@construction.com; Construction Market Data, docprocessing@cmdgroup.com; and Metrolina Minority Contractors Association (mmca@mmcaofcharlotte.org). Hard copies of documents can be purchased for a deposit of \$100.00 (refundable if returned in good condition) by emailing Pam MacMillan, pmacmillan@ksq.design.

All questions should be directed to Robert Vail via email at rvail@ksq.design.

Bid security in the amount of 5% of the bid amount shall be submitted with each bid.

The Owner reserves the right to reject any and all bids, to waive informalities, and to award contract to other than the low bidder should it be deemed in their best interest.
