# SCBO NOTICES

## *DID YOU KNOW...?*

South Carolina Business Opportunities (SCBO) is a daily publication that lists proposed procurements involving goods, services, information technology and construction. According to the South Carolina State Procurement Code, solicitations by South Carolina State Government Agencies that are worth at or above \$10,000 in estimated or actual value must appear in SCBO. Other governmental entities, such as cities, counties and school districts can voluntarily advertise in SCBO. Private entities, such as construction companies (including CM-Rs), are not permitted to advertise in SCBO.

## VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
